

Privacy Policy

ULRIKA LORENTZI Privacy Policy is designed to provide clarity about the information we collect and how we use it to provide a better mobile gaming experience. By visiting, accessing or using the (<https://www.facebook.com/ulrikassmalatar>) website and domain name, and any other linked pages, features, content, or application services offered from time to time by Company in connection therewith, or using any of our services or mobile applications (collectively, the "Services"), you acknowledge that you accept the practices and policies outlined in this Privacy Policy. If you do not agree to the terms and conditions of this Privacy Policy, please do not provide us with any information and do not use the Service.

Information We Collect and Use:

The Personal Information you provide is used for such purposes as answering questions, improving the content of the Services, customizing the advertising and content you see, and communicating with you about Company's products and services, including specials and new features.

Personal Information You Provide to Us:

We receive and store any information you enter on our Services or provide to us in any other way, including via any third party site or service through which you authorize us to access your information (e.g., Facebook). The types of Personal Information collected in this fashion may include but not limited to, an individual's name, phone number, credit card or other billing information, email address and home address. This Privacy Policy in no way limits or restricts our collection of aggregate or anonymous information. In this Privacy Policy, we refer to all information collected from or about you, including personal information and non-personal information, as "Your Information."

Use of Applications:

When you launch any of our applications, we collect information regarding your device type, operating system and version, carrier provider, IP address, Media Access Control (MAC) address, International Equipment Mobile ID (IMEI), whether you are using a point package, the game version, the device's geo-location, language settings, and unique device ID. In addition, we create a unique user ID to track your use of our Service. This unique user ID is stored in connection with your Account profile information to enable us to move Your Information to a new device at your request. In addition, it may be used to link a character with which you play our games to your username on the Forums. When you play our games, we also collect information about your play and interaction with other users and the Service.

Changes to Our Privacy Policy:

If we decide to make material changes to our Privacy Policy, we will notify you and other users by placing a notice on (<https://www.facebook.com/ulrikassmalatar>). We may supplement this process by placing notices in our games. You should periodically check this privacy page for updates.

Contacting Us:

If you have any questions or concerns regarding privacy on our Services, please send us a detailed message at ulrikassmalatar@gmail.com. We will make every effort to resolve your concerns.
